Email Address:

Dear Parent/Guardian

It is the desire of the Southeast Delco School District to communicate with parents in as many ways as possible, and to provide opportunities for parents to raise concerns and ask questions regarding programs and opportunities available to their children. To that end the Public Relations office is providing this opportunity through our website.

If you have a question please print out this form and mail or fax your question or concern to our office. You may also complete the form electronically and email it to my office. Please include your phone and/or email contact so that I can respond in a timely manner.

Parents residing in the district with children attending private, charter, or parochial schools are encourage to use this process as well.

Sincerely,

Dennis E. Martin

My question or concern is as follows:
