

Southeast Delco School District

Continuity of Education and Planned Instruction

May 4th – May 8th

Special: Instrumental Music Lessons for Darby Township, Delcroft, Harris and Sharon Hill Schools
Teacher: Mrs. Cabbage and Miss King
Grade: 4-8 Band students
Resources: Instrument, Accent on Achievement Lesson Book and band music
<p>Project: Continue practicing the pages in the book that we left off on. Continue to play old materials that you enjoy playing. Also, continue to practice your warm-ups and scales (if you have had them assigned in the past). In addition, continue practicing your band music. Remember to chunk the music into smaller sections, perhaps 8 measures at a time. Once you feel comfortable with those 8 measures, move on to the next 8 and so on. If you have questions about the fingerings for a certain note, don't forget that there is a fingering chart in the back of your book on pages 46 and 47!</p> <p>If you have any questions, please check your teacher's website for information on Smart Music: www.smartmusic.com Mrs. Cabbage's website: https://www.sedelco.org/Page/577 Miss King's website: https://www.sedelco.org/Page/5311</p> <p>Smart Music is a comprehensive webpage (it works best using Google Chrome) that allows you to play along with recorded band tracks and lets you record yourself too!! If you record yourself and want some teacher feedback, please send it to us! We can comment on your progress. When you play through the music, it will highlight your correct notes in green and the other notes in yellow or red. You can use this website to explore new music. If you were a district honor band member this year, look up the district honor band music and play along with it!!</p> <p>If you have additional questions, please email us! kcabbage@sedelco.org rking@sedelco.org</p> <p>Keep on playing!! We miss you!!</p>
