Jason Naylor is a street artist from New York City.

His goal is to use his art to spread positivity and kindness. His work is filled with positive words and bright colors. He has made some art recently to help spread positivity amongst the coronavirus pandemic.

Here are some of Jason Naylor's murals with positive quotes.

Since summer is fast approaching, let's design a positive image or saying for a tank top. Choose a word like: love, peace, kindness or a word of your choice and sketch it on your shirt. Draw some positive images for your word: stars, hearts, a sun, a rainbow, etc. Below is a template to sketch your ideas on. You may also color in your tank top. Would love to see your tank top designs!
