Policy Agreement

Behavior

Students are expected to follow the same behavioral expectations set by the schools during the regular school year and by the Kids' College Student Handbook. Students who cannot follow these behavioral guidelines will have their parents contacted and may be asked to leave the after school program for the remainder of the day. Repeated or severe violations of the behavioral expectations may result in the student not being able to participate in the summer tutoring program.

Attendance and Pick Up

Students are expected to attend each day they are in school. Children must be picked up by their parent or legal guardian no later than **5:50 PM Monday through Thursday and 5:20 PM on Fridays**. The lead teachers must be notified if someone other than a parent or guardian is to pick up their child. Identification will be requested by the staff member on duty. The adult picking up will be required to sign the child out for the day. Parents who are consistently late *may* be asked to withdraw their children from the afterschool program.

I have read and agree to the above behavioral and attendance policies.
