DEPARTMENT OF EDUCATION

## ARP ESSER Health and Safety Plan Guidance & Template

---

Section 2001(i)(1) of the American Rescue Plan (ARP) Act requires each local education agency (LEA) that receives funding under the ARP Elementary and Secondary School Emergency Relief (ESSER) Fund to develop and make publicly available on the LEA's website a *Safe Return to In-Person Instruction and Continuity of Services Plan*, hereinafter referred to as a *Health and Safety Plan*.

Based on ARP requirements, 90 percent of ARP ESSER funds will be distributed to school districts and charter schools based on their relative share of Title I-A funding in FY 2020-2021.

**Given Federally required timelines, LEAs eligible to apply for and receive this portion of the ARP ESSER funding must submit a Health and Safety Plan that meets ARP Act requirements to the Pennsylvania Department of Education (PDE) by Friday, July 30, 2021, regardless of when the LEA submits its ARP ESSER application.**

Each LEA must create a Health and Safety Plan that addresses how it will maintain the health and safety of students, educators, and other staff, and which will serve as local guidelines for all instructional and non-instructional school activities during the period of the LEA's ARP ESSER grant. The Health and Safety Plan should be tailored to the unique needs of each LEA and its schools and must take into account public comments related to the development of, and subsequent revisions to, the Health and Safety Plan.

The ARP Act and U.S. Department of Education rules require Health and Safety plans include the following components:

1. How the LEA will, to the greatest extent practicable, implement prevention and mitigation policies in line with the most up-to-date guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning;
2. How the LEA will ensure continuity of services, including but not limited to services that address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services;
3. How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC:

# Southeast Delco School District

## School Year 2021-2022

- a. Universal and correct wearing of [masks](#);
- b. Modifying facilities to allow for [physical distancing](#) (e.g., use of cohorts/podding);
- c. [Handwashing and respiratory etiquette](#);
- d. [Cleaning](#) and maintaining healthy facilities, including improving [ventilation](#);
- e. [Contact tracing](#) in combination with [isolation](#) and [quarantine](#), in collaboration with State and local health departments;
- f. [Diagnostic](#) and screening testing;
- g. Efforts to provide COVID-19 [vaccinations to school communities](#);
- h. Appropriate accommodations for children with disabilities with respect to health & safety policies, IEPs and 504s;
- i. Coordination with state and local health officials.

The LEA's Health and Safety Plan must be approved by its governing body and posted on the LEA's publicly available website by July 30, 2021.\* The ARP Act requires LEAs to post their Health and Safety Plans online in a language that parents/caregivers can understand, or, if it is not practicable to provide written translations to an individual with limited English proficiency, be orally translated. The plan also must be provided in an alternative format accessible, upon request, by a parent who is an individual with a disability as defined by the Americans with Disabilities Act.

Each LEA will upload in the eGrants system its updated Health and Safety Plan and webpage URL where the plan is located on the LEA's publicly available website.

The ARP Act requires LEAs to review their Health and Safety Plans at least every six months during the period of the LEA's ARP ESSER grant. LEAs also must review and update their plans whenever there are significant changes to the CDC recommendations for K-12 schools. Like the development of the plan, all revisions must be informed by community input and reviewed and approved by the governing body prior to posting on the LEA's publicly available website.

LEAs may use the template to revise their current Health and Safety Plans to meet ARP requirements and ensure all stakeholders are fully informed of the LEA's plan to safely resume instructional and non-instructional school activities, including in-person learning, for the current school year. An LEA may use a different plan template or format provided; it includes all the elements required by the ARP Act, as listed above.

# Southeast Delco School District

## School Year 2021-2022

\* The July 30 deadline applies only to school districts and charter schools that received federal Title I-A funds in FY 2020-2021 and intend to apply for and receive ARP ESSER funding.

### **Additional Resources**

LEAs are advised to review the following resources when developing their Health and Safety Plans:

- [CDC K-12 School Operational Strategy](#)
- [PDE Resources for School Communities During COVID-19](#)
- [PDE Roadmap for Education Leaders](#)
- [PDE Accelerated Learning Through an Integrated System of Support](#)
- [PA Department of Health - COVID-19 in Pennsylvania](#)

DRAFT

# Southeast Delco School District

## School Year 2021-2022

**Initial Effective Date: July 22, 2021**

**Date of Last Review: July 22, 2021**

**Date of Last Revision: July 22, 2021**

- 1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?**

To the maximum extent practical, the LEA will follow guidance from the CDC and PA Department of Health to reopen and operate school facilities for in-person learning continuously and safely.

In accordance with the governor's order, masks will be optional; however, unvaccinated visitors, staff members, and students are encouraged to wear a mask while indoors. Students and staff will maintain distancing requirements as much as possible. Hand sanitizer stations will be maintained in each entrance area; students and staff will be encouraged to use them before entering the buildings. Routine cleaning of any utilized spaces will be performed each afternoon. Additional cleaning will be implemented on an as needed basis. Water drinking fountains will continue to be turned off. Water filling stations will be available. Students and staff are encouraged to bring their own water bottles.

- 2. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?**

### **Educational Delivery Model/Academics**

- Parents have the option for full time, in-person learning
- Parents have the option of participating in the Southeast Delco Cyber Program

### **Social and Emotional Learning (SEL) Plan**

- PD will be provided for the administration and staff prior to the opening of school. Content and timelines will be finalized at the July Administrative Retreat.

### **Student Health and Food Services**

- The District will participate in the United States Department of Agriculture

(USDA) pandemic flexible meal programs. These programs are available free of charge for each child in the household up to age 18. The Programs include:

# Southeast Delco School District

## School Year 2021-2022

- Return to School Program - Beginning September 7, 2021, following the Seamless Summer Option Waiver, daily breakfast and lunch will be available at the school for students attending in-person instruction and the weekly meal pick up will continue for students who are attending the Southeast Delco Cyber Program.
3. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.

ARP ESSER Requirement	Strategies, Policies, and Procedures
<b>a. Universal and correct wearing of <a href="#">masks</a>;</b>	Masks are optional, in accordance with the governor’s order and PA Department of Health recommendations. However, unvaccinated visitors, staff members, and students are encouraged to wear a mask while indoors. Masks are optional for all Southeast Delco School District activities, except sustained gatherings where three feet social distancing is not possible. However, masks are required on school buses.
<b>b. Modifying facilities to allow for <a href="#">physical distancing</a> (e.g., use of cohorts/podding);</b>	Southeast Delco School District will follow physical and social distancing guidance as established by the PA Department of Health .
<b>c. <a href="#">Handwashing and respiratory etiquette</a>;</b>	Hand sanitizer stations will be maintained in each entrance area; students and staff will be encouraged to use them before entering the buildings.
<b>d. <a href="#">Cleaning</a> and maintaining healthy facilities, including improving <a href="#">ventilation</a>;</b>	Routine cleaning of any utilized spaces will be performed each afternoon. Additional cleaning will be implemented on an as needed basis. Air Purifiers are provided where ventilation is limited, and windows will be open, weather permitting.
