## District Safety Measures

Already in Place	Investigating
All schools have at least one security guard by adding one to the K-Center	2 additional security guards at APHS or
High visibility by building administration	1 additional Sharon Hill Police Officer
Set an expectation for District Administration presence in the schools throughout the week	During the hiring process, contract with a security company
Provide 6-12 students with clear book bags	Implementing searches
Moved home games to Saturdays mornings or alternate fields	Scholarchip –ID and tracking system for students
Increase District Administration presence at football games	Discussion with the Board increased consequences for violence, fighting and weapons
Sharon Hill Police will be present at bus arrival and departure for this Friday’s game and those to come	Request police presence at all four town schools during arrival and dismissal
Established a Discipline Committee	
Staggered APHS start for opening week	
CrisisGo PD for staff- emergency response	
Counseling available for students and staff	
Each building will continue to collaborate with the Building Emergency Response Team (BERT)	
Reinforcing doors being locked and no doors being propped opened	
Students in grades 5-12 have the ability to use a confidential app or phone line to report suspicious and unsafe events in the community, home, or school ( SAFE2SAY) sponsored by the attorney general	
District has a Crisis Team with trained mental and medical professional who have been trained in the PREPARE training model.	
Hourly walks to check doors-Security Guards
