

Duties:

Our Department is tasked with the following police and security duties:

- Assist school and district administrators in providing safe and secure schools and campuses.
- Enforcing all laws, including Board Rules & Regulations, state and federal laws within the territorial boundaries of the District, especially when it affects the safety and welfare of the students, employees, visitors and/or District property.
- Maintain a visible presence within the schools and on school district property by way of foot and vehicle patrols.
- Working with other local law enforcement agencies we attempt to ensure the safe transport of students to and from school.
- Quickly respond to disruptions and concerns within the schools.
- Develop relationships with students and student groups to provide direction and another positive influence in their lives.
