Dear Parents:

Your child, ______________________ did not pass either the hearing screening test or the re-test given at school on ______________________. Failure of these tests indicates only that the child should have a more complete ear examination and evaluation.

It is recommended that you consult your family physician to determine whether or not your child needs to be referred to an audiology clinic or an ear specialist.

Please ask your physician to evaluate your child and to complete the form below and return it to me.

Thank you.
